Vended sanitary napkins are available in two box sizes. Our most popular size box, the No. 4 box, which contains a folded pad, while the No. 8 size box contains a flat pad. Feminine hygiene dispensers vend one of these two size boxes. The following products are available with the No. 4 size box: 147A, MT-4, MT-200, MT480 and EG-4. You can vend any of these products from the dispensers that indicate the No 4 size box in this catalog. Our MT-8 and 248 products are in the No. 8 size box. Certain vendors will vend this size box.
